

Three Hour Tour

Columbus, Georgia Yacht Rock with Roots

“Columbus, Georgia based Yacht Rock with Roots,” is the best way to describe this powerhouse band. Comprised of some of the very best musicians in Georgia, this band will keep your party sailing right along with the smooth rock hits of the late 70’s and early 80’s, and a splash of R&B and blues to pay homage to the rich blues history of our hometown.

Three Hour Tour brings showmanship, outstanding musicianship, and professionalism to your event with the goal of creating excitement, fun and a night to remember. Our line up consists of male and female lead vocals, a tight rhythm section of drums, bass, and keys, two masterful guitarists, a super smooth sax player, and our front man “Fun Director,” who’s responsibility it is to take the audience on an unforgettable yacht rock tour. With decades of combined experience, as well as excellent vocals and harmonies, this eight-piece band plays hits from artists like Daryl Hall & John Oates, Steely Dan, Christopher Cross, and Bob Seger, to name a few.

If you are looking for a yacht rock party band that will leave your guests wanting more, Three Hour Tour is the band for you.
